Conflict of Interest Policy

CONFLICT OF INTEREST AGREEMENT

Every EICA Committee member and volunteer shall agree to follow the policies and procedures set forth by EICA's Conflict of Interest Agreement. Each member shall sign a conflict of Interest Agreement at the time of commencement. All committee members shall report any direct conflict to the Executive Director immediately.

Each year Committee members and employees will be required to fill out a conflict disclosure form listing any possible conflicts of interest that may have arisen in the previous year.
